The Charleston *Charter* makes a timely recommendation in recommending the attention of our Government to the introduction and cultivation of Calceyas for the preservation of the health of our soldiers. This article has a peculiar effect upon the liver, and wards the system against disease by exposure and irregular diet. It is held that the great success of the Placation Bitters of Dr. Drake, which, previous to our military difficulties, has found its way to the army, is owing to the use of the extract of Calceyas Bark, which is contained as one of its principal ingredients. "In confirmation of this, we have heard one of our most distinguished physicians declare, that whenever he felt unwell from ordinary details or atmospheric causes, he invariably relieved himself by Placation Bitters. Now that these Bitters

We are exceedingly obliged to the Richmond *Wafar* for the following notice of our case: "We can assure you that Dr. Drake, through a secret agent, has written that truth, do you not know?" \* \* \*

"Our Government" that the Plantation Bitters are sold for sale by any "secret agents." North or South, there is probably several other things that "Our Government" has yet wanted to know.

"We know that we have the best and most popular medicine in the world. We are not afraid to show what is composed of.

"Physicians are compelled to recommend it.

CALISTEA BEECH has been celebrated for over two hundred years, and was sold during the reign of Louis XV. of France, for the enormous price of its own weight in silver. It is remarkable for Dyspepsia, Fever, Rheumatism, Dropsy, and all the ailments of the stomach and bowels.

CASCABELLA BEECH, For Diarrhoea, Colic, and disease of the stomach and bowels.

It is the only infalliment against the Loins and Venereal Affections.

CALISTEA FLOWERS.—For enlarged distention.

LYONVILLE FLOWERS.—Aromatic, stimulant, and tonic.

LYONVILLE FLOWERS.—For Rheumatism, and all the ailments of the stomach and bowels.

WINTERGREEN.—For Scrophula, Rheumatism, etc.

ARZEE.—An aromatic cumminative; creating flesh, muscles and milk; much used by mothers nursing.

Also, Clove buds, orange, caraway, carolander, snake-root, etc.
